# 1300SOLARS

1300 765 277 [www.edwards.com.au](http://www.edwards.com.au)

**EDWARDS**  
*solar hot water®*

Conditions: Recommended Retail Price (RRP) does not include installation or the Solar Direct finance option. RRP applicable to L32 Australis 2 System. RECs for Zone 3, correct as at 24th February 2010. \*\* Rebates comprise: \$1000 Federal Government electric to solar rebate (subject to eligibility criteria. Please refer to [www.greenhouse.gov.au/rebates](http://www.greenhouse.gov.au/rebates) for full details). ++ Installation quotes will vary from site to site due to considerations such as, but not limited to, single/double storey dwellings, ease of access, roof orientation, roof pitch, local council requirements, travel costs, and location of existing water heater. Regional freight varies.
